

## **GASOLINE**

Music : B. CHAMBERT ; Lyrics: R. CHAMBERT, B. CHAMBERT

Motorcycle forever, you drew your way.  
Laughing at the vultures, Forward march!  
The town is near, don't we have enough juice?  
Nothing in the pocket, just enough to drink a beer!

*Chorus:*

**Gasoline (Gasoline)  
Don't leave me!  
Gasoline, Gasoline**

**Gasoline (Gasoline)  
Don't leave me!  
Gasoline, Gasoline  
You'll born again soon**

Petrol tank is empty, it's begin to cough  
A gaz-station on the way, it's really your day!

*Chorus*

*Guitar Solo Nicolas Thouraille*

The engine is stoppin' in the Harley's steams  
You must nurse her, like a mother to her kid!

*Chorus*
