

## **BULLDOG**

Music: B.CHAMBERT; Lyrics: B.CHAMBERT, R. CHAMBERT, B. FOLCH

All my munitions are always ready,  
My gun is loaded and I can't keep it in.  
All this flesh, buzzin' around, break my zipper, I need to surround 'em!  
Drivin' me crazy and exciting me...exciting me!

*Chorus x 2:*

**I'm a Bulldog, that's what I am  
I'm a Bulldog, treat me like a dog!**

Blond with blue eyes, she's lickin' her lips...  
I am on my knees, and I'm staring at her tits!  
But I feel a flick on my shoulder, forgot my wife in the car...  
Barkin' behind her, flushing with pleasure...flushing with pleasure!

*Chorus*

The tail between my paws,  
My ears are dressed up.  
Some slaver on my fangs,  
I'm staring at her tits!

*Guitar Solo*

Hunt down and sniff smell, I'll come home tired,  
Mid-human, Mid-beast, you'll see my wild side!  
Young lady if you're cute, come on down in my jaws,  
I'm hungry, you're meat...Do you go down? I hope you go down!

*Chorus x 4*
