

FREEDOM

Music and lyrics: B.CHAMBERT

Woke up this morning and did not feel like workin',
I just wanna show you the man I really am.
Tired of this sham, playin' a role I am now hatin',
So give me a chance to do the things I can.

Chorus:

Freedom... Freedom in my brain
Set me free from all these chains
Freedom, to live without pain
Let me live as a free man.

Some people drink, some people got the blues,
But I just wanna live the life I choose.
No! Don't wanna see my soul, rotten to the core,
Die for want of Rock'n'Roll.

Freedom... Freedom in my brain
Makes me live without shame
Freedom, running through my veins
Let my life run fast

Guitar Solo

It's not so easy, yeah, to let it go,
But I don't worry at all.
Listen to no-one but the sound of the crowd,
Feel the pleasure and who you are...

Freedom... Freedom in my brain
Set me free from all these chains
Freedom, to live without pain
Let me live as a free man.

Oh Freedom (*In my brain*)
Freedom in my brain (*In my brain*)
Oh Freedom (*In my brain*)
Running through my veins
