

HIGHWAY O' LOVE

Music and lyrics: B.CHAMBERT

Your pink Cadillac, the way you move your hips,
I'm going mad looking at your lips.
I've got an offer you cannot refuse
But oh baby, you've got the blues.
Have you ever known true love? I'm not sure at all.
I've got a thing for you, somewhere our hearts will quiver n' the time will stop...

Chorus:

Ride on the Highway o' love! (Highway o' love)
It's the straight line to touch your feelings.
Ride on the Highway o' love! (Highway o' love)
Oh please baby come with me...
Ride on the Highway o' love!

Do you feel the magic in the air tonight?
Just look at the sky.
Can you read what is written
In letters of fire?
It's the love sign, the way we have to take to be immortal.
This way is burning with desire and passion. Are you ready to ride on?

Chorus

Ride on the Highway o' love! (Highway o' love)
We're gonna make it to seal our union.
Lay down in the backseat of love! (Backseat of love)
There we'll share a new horizon.
Lay down in the backseat of love!

Highway o' love

Guitar Solo

Chorus

Ride on the Highway o' love! (Highway o' love)
We're gonna make it to seal our union.
Ride on the Highway o' love! (Highway o' love)
We're gonna make it, we're gonna share it.
Lay down in the backseat of love (Backseat of love)
Oh baby lay down with me.
Lay down in the backseat of love (Backseat of love)
Oh darling, down in the backseat with me.
Down on the highway o' love.
