

POLE-DANCING SONG

Lyrics and Music : Benjamin Chambert

Velvet seat, champagne on ice
Red dim lights, fascinate
Shadow-bodies mesmerize
I begin to levitate...

A "Christ" scene, but so obscene
12 nasty wet disciples
A cup of wine, a big baguette
I got a bad reputation!

She's gonna lap me...*yeah!*
Tap me ... *yeah!*
Tease me... *yeah!*
...to the bone...hummm

Treats me like a King... *yeah!*
Feelin' ... *yeah!*
Strong... *yeah!*
On my throne!

So do it
Right....Right or wrong!
Just do it all nite....all nite long!
Do you feel my...**Pole-dancing song**

These rewarding fleeting pleasures
So full of smoke n' mirrors
Well I'm not fooled, see through your
Eyes reflecting the colour of dollars

Disrespect? I don't think!
FLESH...your natural treasure!
Hard work? Yes indeed...
Take care of my powerful tower...

she's gonna lap me...*yeah!*
Tap me ... *yeah!*
Tease me... *yeah!*
...to the bone...hummm

Treats me like a King... *yeah!*
Feelin' ... *yeah!*
Strong... *yeah!*
On my throne!

So do it
Right....Right or wrong!
Just do it all nite....all nite long!
Do you feel my *Pole-dancing song*

It's a mental road-movie
Wine, women and song
Bunch of crazy illusions
She's a "self-esteem rental"
Baby crank it up strong
N' play my pole-dancing song...

Guitar Solo

So do it
Right....Right or wrong!
Just do it all nite....all nite long!
Do U feel my *Pole-dancing song*
