

Psycho-Lover

Lyrics and Music : Benjamin Chambert

Can't imagine where I would be
If I only had to sleep lonely,
Oh I play at polygamy...come watch, you'll see!
No matter what she does or says,
She turns herself into my prayers
Oh I just can't stop these affairs

*Hypnotiser, I am always on the make
Even if I already take a dozen oven-ready mistresses
Cause I'm the Psycho-Lover
A true love hunter
I can't get enough, give her I all I got, 'til I catch
another game
The Psycho-Lover plays with you!*

As often as I can do this
I aim to draw my love kit
Them ladies, they can't resist
High speed Cupid, Spreading my seed
Feeding my neverending greed
Luxury devil's dust

*Hypnotiser, I am always on the make
Even if I already take a dozen oven-ready mistresses
Cause I'm the Psycho-Lover
Real lady-collector*

*I can't get enough, give 'em all my love, 'til I catch
another game
The Psycho-Lover plays with you!*

Guitar Solo

*Hypnotiser, I am always on the make
Even if I already take a dozen oven-ready mistresses
Cause I'm the Psycho-Lover
Kinda crazy womanizer
I can't get enough, give 'em all my love, 'til I catch
another game
The Psycho-Lover plays with you!*

*with you!
Psycho!
Psycho-Lover!*
