

LIKE A ROCKSTAR

Music & Lyrics : B.Chambert

Walkin' in, Walkin' in, Walkin' in this city...**Oh Oh Oh**
Feelin' like, Feelin' like a bombshell sweetie...**Oh yeah!**
I just wanna be a star, brightening up my days
Got my head up, jump up high and low!

ON AND ON, I can't deny what I feel inside
ON AND ON, I just love and play
The music in my ears makes me dizzy, gets me ready
No matter what they do or say, I stick to my guns everyday
I DO IT LIKE ROCKSTAR

Walkin' in, Walkin' in, Walk (in) another city...**Oh Oh Oh**
Makin' people love, dream, I don't stop pretty baby...**Oh yeah!**
Attitude is not disuse, it brings freedom in my brain
Got my head up, Lady Luck will strike again!

Chorus

I do believe they can all be mine
I do believe I don't need to lie!
I DO IT LIKE ROCKSTAR

Chorus X 2

Outro

Do it like a Rockstar
You gotta Live, you gotta Shine like a Rockstar
