

HAVE A BEER!

Music: B. CHAMBERT, Lyrics: B. FOLCH

You never drink water, you never drink wine
The drink you think it's better is the Beer you take in bars

Anywhere, anytime,
Alone or with someone,
The same words in your mind
All the time
Peace of your mind is Beer
Have a beer!

In love with any flavour
Stout, Sour, I.P.A, Porter
In bottle or on drought,
You drink beers of any brand
Lagunitas, Spaten, Becks, Mahou, Grimbergen, Rodenbach, Hoegaarden
All the time
Peace of your mind is Beer!

When you drink too much, you are out of your mine,
Stomach, headache,
N' you only wanna lie,
But you know that tomorrow, there's no place for sorrow,
Hop flows in your veins and your mind
Ale all the time
Peace of your mind is Beer!

Come on Have a Beer!
Come on Have a Beer Right Now!
