

FREEDOM

Music & Lyrics: B.CHAMBERT

Woke up this morning and did not feel like workin'

I just wanna show you the man I really am.

Tired of this sham, playin' a role I am now hatin'

So, give me a chance to do the things I can

Freedom... Freedom in my brain

Set me free, set me free from all these chains

Freedom, to live without pain

Let me live, let me live as a free man.

Some people drink, some people got the blues...

But I just wanna live the life I choose!

No! Don't wanna see my soul, rotten to the core, die for want of Rock'n'Roll

Freedom... Freedom in my brain

Makes me live, makes me live without shame

Freedom, running through my veins

Let my life run fast

It's not so easy, yeah, to let it go

But I don't worry at all

Listen to no-one but the sound of the crowd

Feel the pleasure and who you are

Freedom... Freedom in my brain

Set me free, set me free from all my chains

Freedom, to live without pain

Let me live, let me live as a free man.

Oh Freedom (*In my brain*)

Freedom in my brain (*In my brain*)

Oh Freedom (*In my brain*)

Let me, let me, let me

Let me Live
